Hi Kendra – After looking at this more closely and getting the code from Adair this morning :
The following work code has been added to your profile:

0818BF1608LTR2BDD2-TR2B_303DD2: ANACONDA SMELTER-RP/RA OVERSIGHT (OU 16)

Please make the necessary changes to your timesheet to match your travel, thank you for your immediate attention to this matter.

This trip was to Smurfit Stone SF Site in Missoula, MT and then we met with the tribe regarding this same sight. So I think my PP+ is correct and the travel needs to be changed to Smurfit. Sorry for the confusion.

Betsy
